School of Computer Science and Engineering

Fall Semester 2021-2022

Digital Assignment

Programme Name:	B.Tech	Course Code :	CSE3002
Course Code	: Internet and Web Programming	Slot :	E1
Due Date	: 25-11-2021	Max. Marks :	10

Design your profile page/Author page which has your details along with your photo. Assume that you are creating this profile to include it in your website.

Prepare a document for this activity with date, description, code (as it is from Notepad/Code Editor) and output screenshots. Make sure to write your RegNo and Name as comments in code as well as viewable in the output Screenshot of web page. Convert the document to PDF.

Kindly upload the pdf in Vtop on or before 25.11.2021.
